

2024 SPONSORSHIP OPTIONS

The Association of Women in Water, Energy and Environment (AWWEE) is a 501(c)(3) non-profit corporation formed to support the professional growth of women in these fields.

Since its inception in 2007, AWWEE has hosted hundreds of events for members and guests to expand their knowledge, build leadership skills, and to make valuable new connections, creating a sense of community within the organization. Each year, AWWEE hosts over 40 events, both online and in-person. Members also have the opportunity to join The Exchange, AWWEE's popular and successful year-long mentoring program.

Central to AWWEE's work is making these opportunities accessible to all women in these fields by keeping membership rates and event registration affordable - including offering free membership to students and individuals experiencing employment or financial hardships. This would not be possible without the generous financial support of annual sponsors.

On behalf of AWWEE members, staff, and my fellow members of the Board of Directors, thank you for considering becoming an AWWEE sponsor for 2024.
